3. Powers

(a) The Fire Chief, his designate and/or Peace Officer may:

- i) issue a fire permit to a person 18 years or older;
- ii) issue a fire permit in respect of any land within the municipal boundaries of the Summer Village of Island Lake;
- iii) issue a fire permit unconditionally or impose conditions upon the applicant which he considers appropriate;
- iv) suspend or cancel at any time a fire permit and, on receiving notice of the suspension or cancellation, the person concerned shall immediately extinguish any fire set pursuant to his or her permit;
- v) direct the operations in respect of any fire permit issued.

4. Recreational Fires

The following regulations and specifications apply to Recreational Fires:

(a) Except as provided in Section 4(k), no permit is required to ignite, construct or otherwise create a recreational fire by or with permission of the property owner.

(b) A "fire pit" used outdoors for the purpose of cooking, obtaining warmth or viewing for pleasure must meet the following specifications:

- i) a safe clearance of approximately 3.0 metres, measured from the nearest fire pit or edge is maintained from buildings, property lines, or other combustible material;
- ii) fire pit height must not exceed 0.6 metres measured from the surrounding grade to the top of the fire pit opening;
- iii) fire pit is to be constructed of non-combustible materials such as bricks, concrete blocks, heavy gauge metal, or other non-combustible materials acceptable to the Fire Chief;
- iv) a fire pit must not exceed 1.1 metres in diameter;
- v) the height of flames in a fire pit cannot exceed 1.0 metre;

(c) A "fireplace" used outdoors for the purpose of cooking, obtaining warmth or viewing for pleasure must meet the following specifications:

- i) a minimum of 1.0 metre clearance measured from the nearest fireplace edge is maintained from buildings, property lines, or other combustible material;
- ii) a fireplace is constructed of materials, such as bricks or rocks, that are heat and flame resistant;
- iii) the fireplace is equipped with a chimney that is not less than 2.5 metres in height when measured from the base of the fire burning area;
- iv) the fireplace chimney is equipped with a regulation screen designed to contain and reduce the hazards of airborne sparks;

- v) the base of the fire burning area is not less than 0.3 metres above the surrounding grade; and,
- vi) the fire chamber does not exceed 1.25 metres in width, and is at least 0.4 metres but not more than 0.6 metres in depth.

(d) A "Portable Fire Receptacle" used outdoors for the purpose of cooking, obtaining warmth or viewing for pleasure must meet the following specifications:

- i) Recreational fires may be burnt in a portable fire receptacle in a residential back yard with the same specifications for a "fire pit" applying to a portable fire receptacle with the exception that the portable fire receptacle must be situated at least two metres from any combustible materials.
- ii) Recreational fires may be burnt in a portable fire receptacle on a wooden deck or patio as long as non-combustible material such as brick or stone is placed between the portable fire receptacle and the deck or patio. The portable must also be situated at least two metres from any combustible materials.

(f) A garden hose, extinguisher or other method of extinguishing a fire must be immediately available for use.

(g) Recreational fires must not be set in windy conditions of greater than 20KM per hour conducive to creating a running fire or a nuisance to another person.

(h) If smoke from an open-air fire causes an unreasonable interference with the use and enjoyment of another person's property, the fire must be extinguished immediately.

(i) Recreational fires must be supervised by a responsible adult person over 18 years of age at all times.

(j) Once the intended use is completed, Recreation fires must be totally extinguished.

(k) No person shall ignite, construct or create a recreational fire in a park unless the recreational fire occurs at a location so designated within the park or in a device or structure constructed for that purpose in the park.

5. Control of Fire Hazards

(a) If the Peace Officer or the Fire Chief finds within its municipal boundaries on privately owned land or occupied public land conditions that, in its opinion, constitute a fire hazard, it may order the owner or the person in control of the land on which the fire hazard exists to reduce or remove the hazard within a fixed time and in a manner prescribed by Council.

(b) When the Peace Officer or the Fire Chief finds that the order it made pursuant to Section a) has not been carried out, it may enter on the land with any equipment and any person it considers necessary and may perform the work required to eliminate or reduce the fire hazard.

6. Recovery of Costs

(a) Where the Fire Department or Peace Officer has taken any action whatsoever for the purpose of extinguishing a fire, responding to a fire call or incident in the Summer Village, or for the purpose of preserving life or property from injury or destruction by fire or other incident on property within the Summer Village, including any action taken by the Fire Department on a false alarm, the Fire Chief, the Peace Officer, or CAO may, in respect of any costs incurred by the Fire Department or Summer Village in taking such action, charge these costs to the owner or occupant of the property in respect of which the action was taken.

(b) The costs for Fire Department and/or Peace Officer services rendered shall be determined by the Fire Chief, Peace Officer or the CAO. In the event that the owner shall feel aggrieved by any action taken by the Fire Chief, Peace Officer, or CAO Section 6 (a), he or she shall have a period of thirty (30) days from the date of mailing of the notice to appeal to Council the action. The decision of Council on any such appeal shall be final and binding upon the owner or occupant of the land and not subject to further appeal.

(c) In respect of the cost or fee described in Section 6(a):

- i) The Summer Village of Island Lake may recover such costs or fees as an amount due and owing to The Summer Village of Island Lake pursuant to Section 552 of the Municipal Government Act R.S.A. 2000, Chapter M-26; and
- ii) in default of payment, where permitted by the Municipal Government Act R.S.A. 2000, Chapter M-26 Section 533(1) (c), add the amounts due to the tax roll of the property in question.

7. Offences

(a) No person shall light an outdoor fire, a structure fire or an incinerator fire unless he is the holder of a subsisting fire permit if required under this bylaw.

(b) No person shall permit an outdoor fire, a structure fire or an incinerator fire to be lit upon land that is owned or occupied by him or under his control except when such fire is permitted pursuant to this bylaw.

(c) When a fire is lit under the circumstances prohibited by Section 7(a) or 7(b), the owner or occupier of the land or the person having control of the land upon which such fire is lit shall:

- i) extinguish the fire immediately, or
- ii) where he is unable to extinguish the fire immediately, report the fire to the Fire Department.

(d) No person shall, either directly or indirectly, personally or through an agent, servant or employee, kindle a fire and let it become a running fire on any land not his own property to the property of another.

(e) No person shall light a permitted outdoor fire, a structure fire or an incinerator fire without first taking sufficient precaution to ensure that the fire can be kept under control at all times.

(f) No person, persons or corporation shall light, ignite, start or cause to be made an open fire of nonburnable debris, or cause or permit open burning unless it is in a gas fired incinerator for which a permit to construct and a license to operate have been obtained in accordance with federal and provincial legislation.

(g) No person or persons shall, either directly or indirectly, cause to be reported a false alarm.

8. Penalties

(a) Any person who fails to hold a subsisting fire permit when one is required under this bylaw is guilty of an offence and is liable to a fine of \$100.00 for first offence and \$200.00 for second and subsequent offences.

(b) Any person who contravenes any section of this bylaw is guilty of an offence is liable to a fine of \$100.00 for first offence and \$200.00 for second and subsequent offences.
